

Technical Data Sheet

ELIX Hand Cleaning Wipes, Item 491.090

Product description

ELIX is a powerful and effective waterless hand-cleaning system combining a high quality orange based liquid formula with a heavy-duty, gently abrasive hand cleaning wipe.

Area of use

In addition to normal dirt, **ELIX** will quickly remove heavy grease, oils, adhesives, tars, waxes and many other difficult to remove contaminants for example coal dust, graphite and grass stains.

Advantages

- 90 Wipes with a big format of 10,6x12,2 inch, 270 x 310mm
- New citrus based formula kills bacteria, dries fast and leaves a fresh smell
- Strong two-layer wipe having one abrasive side for efficient removal of heavy dirt and one soft side for gentler cleaning
- Wipes structure will not allow dirt transfer back onto your hands
- Packaging made from 100% recyclingmaterial (PCR)

Please note

For external use only. Do not allow towel contact with eyes. Keep away from heat sources. Keep out of reach of children.

Storage / Shelf Life

Shelf life is 2 years if stored correctly.

Technical Details

Color Towel:	Blue
Oder:	Orange
No. Towels:	90pcs
Wipe Size:	10,6 x 12,2 inch, 270 x 310mm
Freezing point:	-2° C
Dermatological tested:	Fresenius Institut
Microbe challenge test:	Lab Dr. Lehmann
Microbiological Status Test:	Lab. Dr. Lehmann
Carton:	6 pcs.
Pallet:	420 pcs.
Pallet:	70 cartons
